## Athletics Carnival

November 2<sup>nd</sup> 2022

Please note, the Track and Field events will run simultaneously. Events are broken into sections, which are differentiated by a break/ line space in the program.

In the event that you have two children participating in different events at the same time, it is suggested that you watch your child in the track race as it will not be run again. Children in field events will rotate having 3 attempts to determine their best throw/jump.

Field events for years 4-6 will run on a rotation system throughout the morning. Please refer to the ground map to locate events.

Enjoy the day.
