

KISS AND DRIVE / PARKING

'Kiss & Ride' drive through operates from **8.30 to 8.45am** every morning and every afternoon from **3.00 to 3.15pm**.

PROCEDURE

- **There is a one-way direction for entry and exit at all times.**
- All cars to drive up the side lane of the church at no more than **5kmph**.
- Proceed through the basketball courts in **single line**.
- Stop in single line in front of Year 2, 3, & 1 classrooms to drop off or pick up your child.
- This is a continuous moving single lane of cars and you are **NOT TO PARK OR GET OUT OF YOUR CAR**. This is necessary to ensure safety of all and to maintain the flow of traffic.
- In the afternoons staff will direct the children to the appropriate car.
- After dropping off or picking up your child proceed in single file to the double gates, turning **left only** onto Flinders Street.
- No parking or pick-up at the front of church
- No exit at any time via the church laneway.
- Delaying your arrival in the afternoons by 5 minutes or so may help to reduce your waiting time and ease congestion. Children are supervised by staff until 3.15pm.

KINDERGARTEN & PRE-PRIMARY

Kindergarten & Pre-Primary parents are allowed to park on the basketball courts to drop off and pick up your child from Kindy/Pre-Primary. However, you must use the Kiss and Drive route and adhere to the **ONE WAY SYSTEM** and **NO OVERTAKING**. You must join the single lane of cars and **turn left** onto Flinders Street.

- We ask all people to be patient and that inevitably, as with all schools, drop off and pick up time is extremely busy and one would expect to have to wait.
- Please refer to the mud-map for directions.

ONE-WAY ONLY PLEASE AT ALL TIMES & NO OVERTAKING
